

WLA Station is now offering for sale 55 gallon Water Barrel for home storage and Earthquake Emergency Packs(see below).

If you are interested in ordering either one, or have any questions please contact me, Sgt. David Podesta, by email at 32305@lapd.lacity.org or by phone at (310) 444-0743.

There are 2 things one needs to survive, food and water. Most of us have enough canned goods and dry food stored in our homes, but we lack stored water. WLA will be selling 55 gallon water barrels that can store water for 5 years. Each barrel comes with a pump, the preserver, tamper proof caps, seals and a wrench.

Each unit will cost \$100, if you want it delivered to your house there will be an additional \$20 fee. Once again all profits from these sales will go to the WLA Youth Programs.
