

Reporting of an Abandoned Car (left for a period of 72 hours or more)

1-800-222-6366

I have had to call this number several times because of the apartments on National and Barrington as well as the RVs that park on Inglewood Blvd.

The other number we use is for Bulk Trash Pickup

We have an alley and it seems that it is used by many people who dump large items.

Bulky item pick up and missed trash collection – 1-800-773-2489 or West LA Yard 310575-8395.

Hope that this might help our neighbors.

Thanks, Don
