

Join us in celebrating Earth Day 2010 by showcasing your garden on our

Mar Vista Green Garden Showcase!

Have you replaced your lawns with vegetable gardens or drought resistant landscaping?

Do you have a 'green' home?

We invite you to open your home or garden for a few hours
Sunday April 25th from 2:00 to 6:00.

This is a chance to inspire others in our community and provide a network of contacts and resources that they can turn to as they embark on the same path. For those of you have added eco efficiencies', we would encourage you to highlight those as well.

We will be happy to use your photos or take them for you and will collect your information to create a virtual tour on our web site at www.marvistagreengardenshowcase.com .

You will only be asked to be on hand as a docent for the afternoon of the tour.

Please email us at sherri@marvista.org to be included!
